Spirit

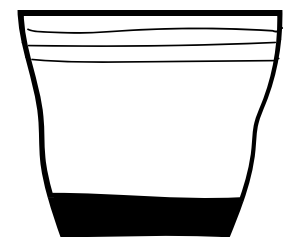

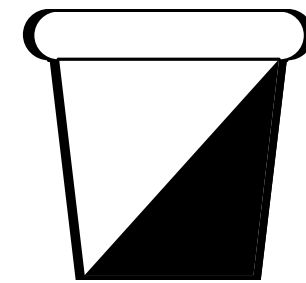

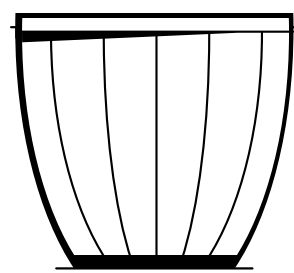

Today I am thankful for:

Fill this space with
as many things as
you can think of!

Thank you , God! 

Draw something
you thought about
during today's service 

Draw some silly spring
plants growing here!

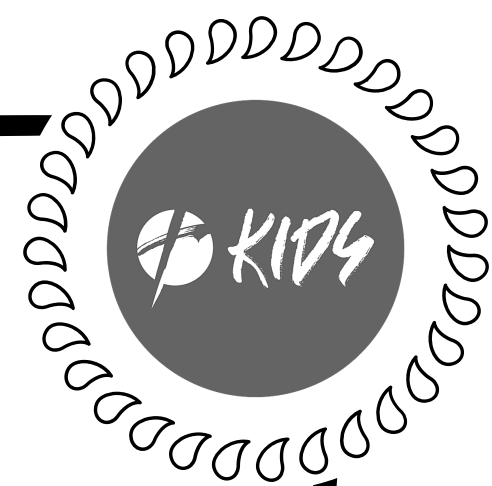

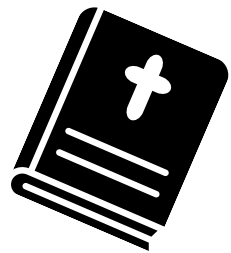

Who is
speaking
today?

We're in series called:

**BRAND
NEW**

Fill in the **blanks**

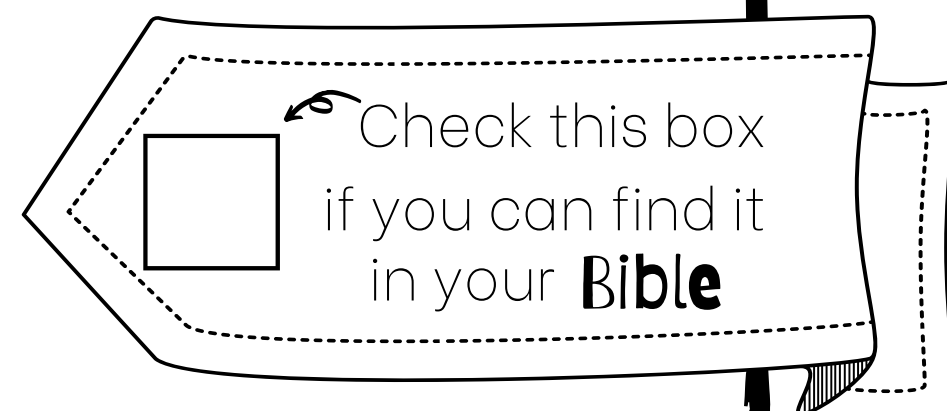

to complete the
memory verse!

_____, if _____ is in _____, the
new _____ has come: The _____ has
gone, the _____ is here!

2 _____ 5:17

NIV

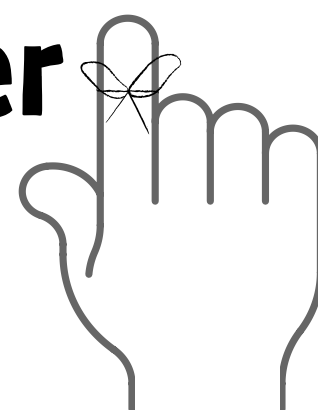

Question of the week:

Is there a song
you really like
to dance to?

Write or draw your answer. ↷

Something I want to **remember**
from today's service:

Today I am
listening **with**:

My favourite
song 
we sang
today:

Use this space to
pray.

Dear God,

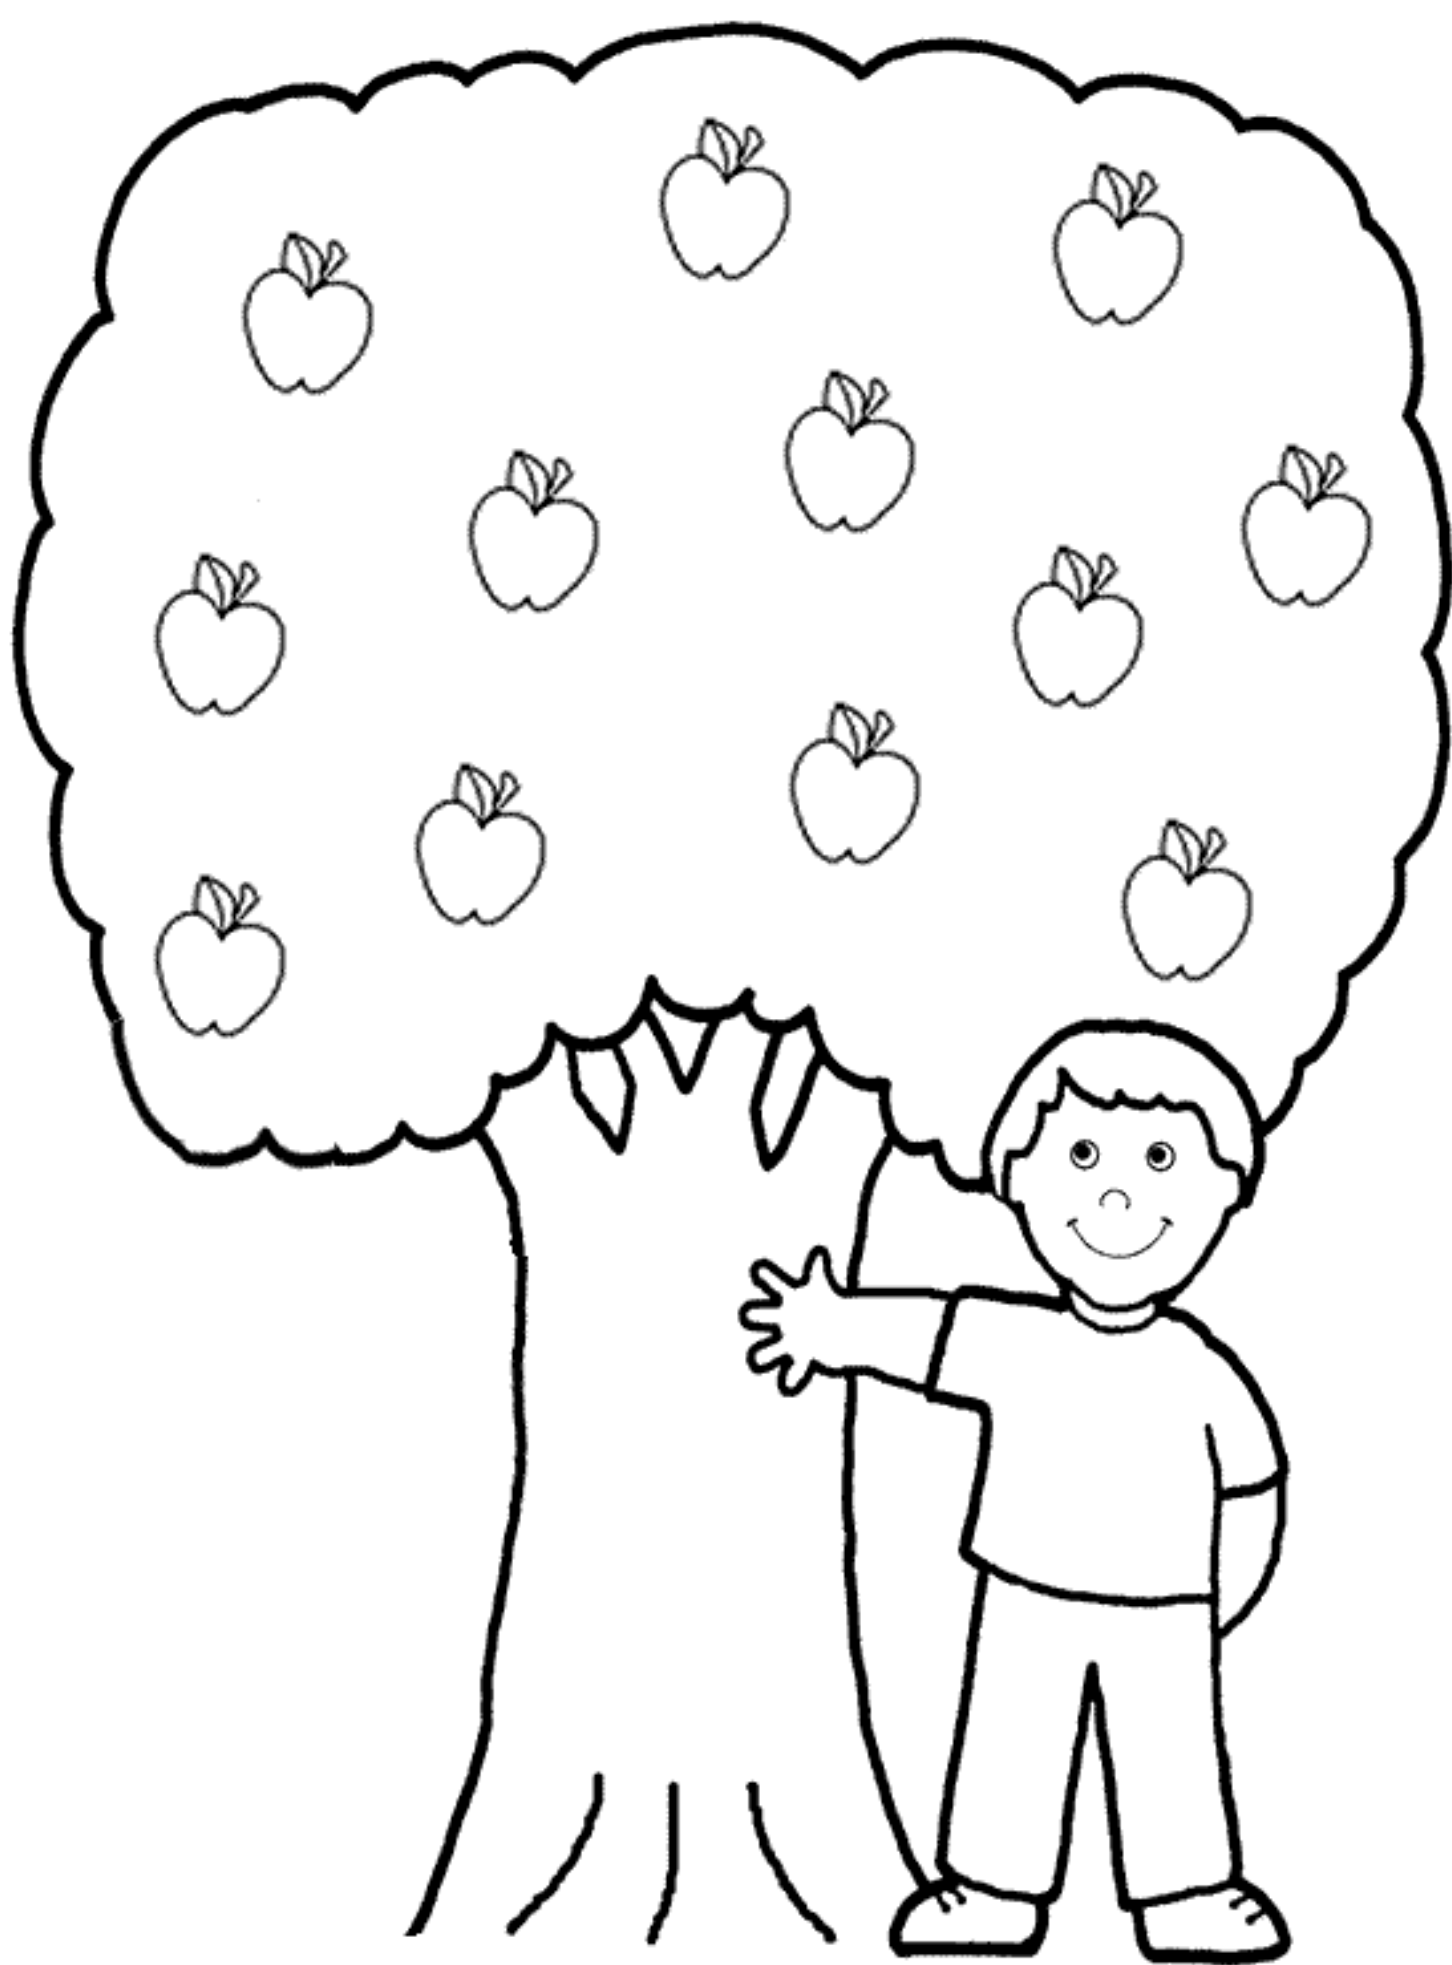

Amen

You can draw, write... talk to God however you want to!

Where

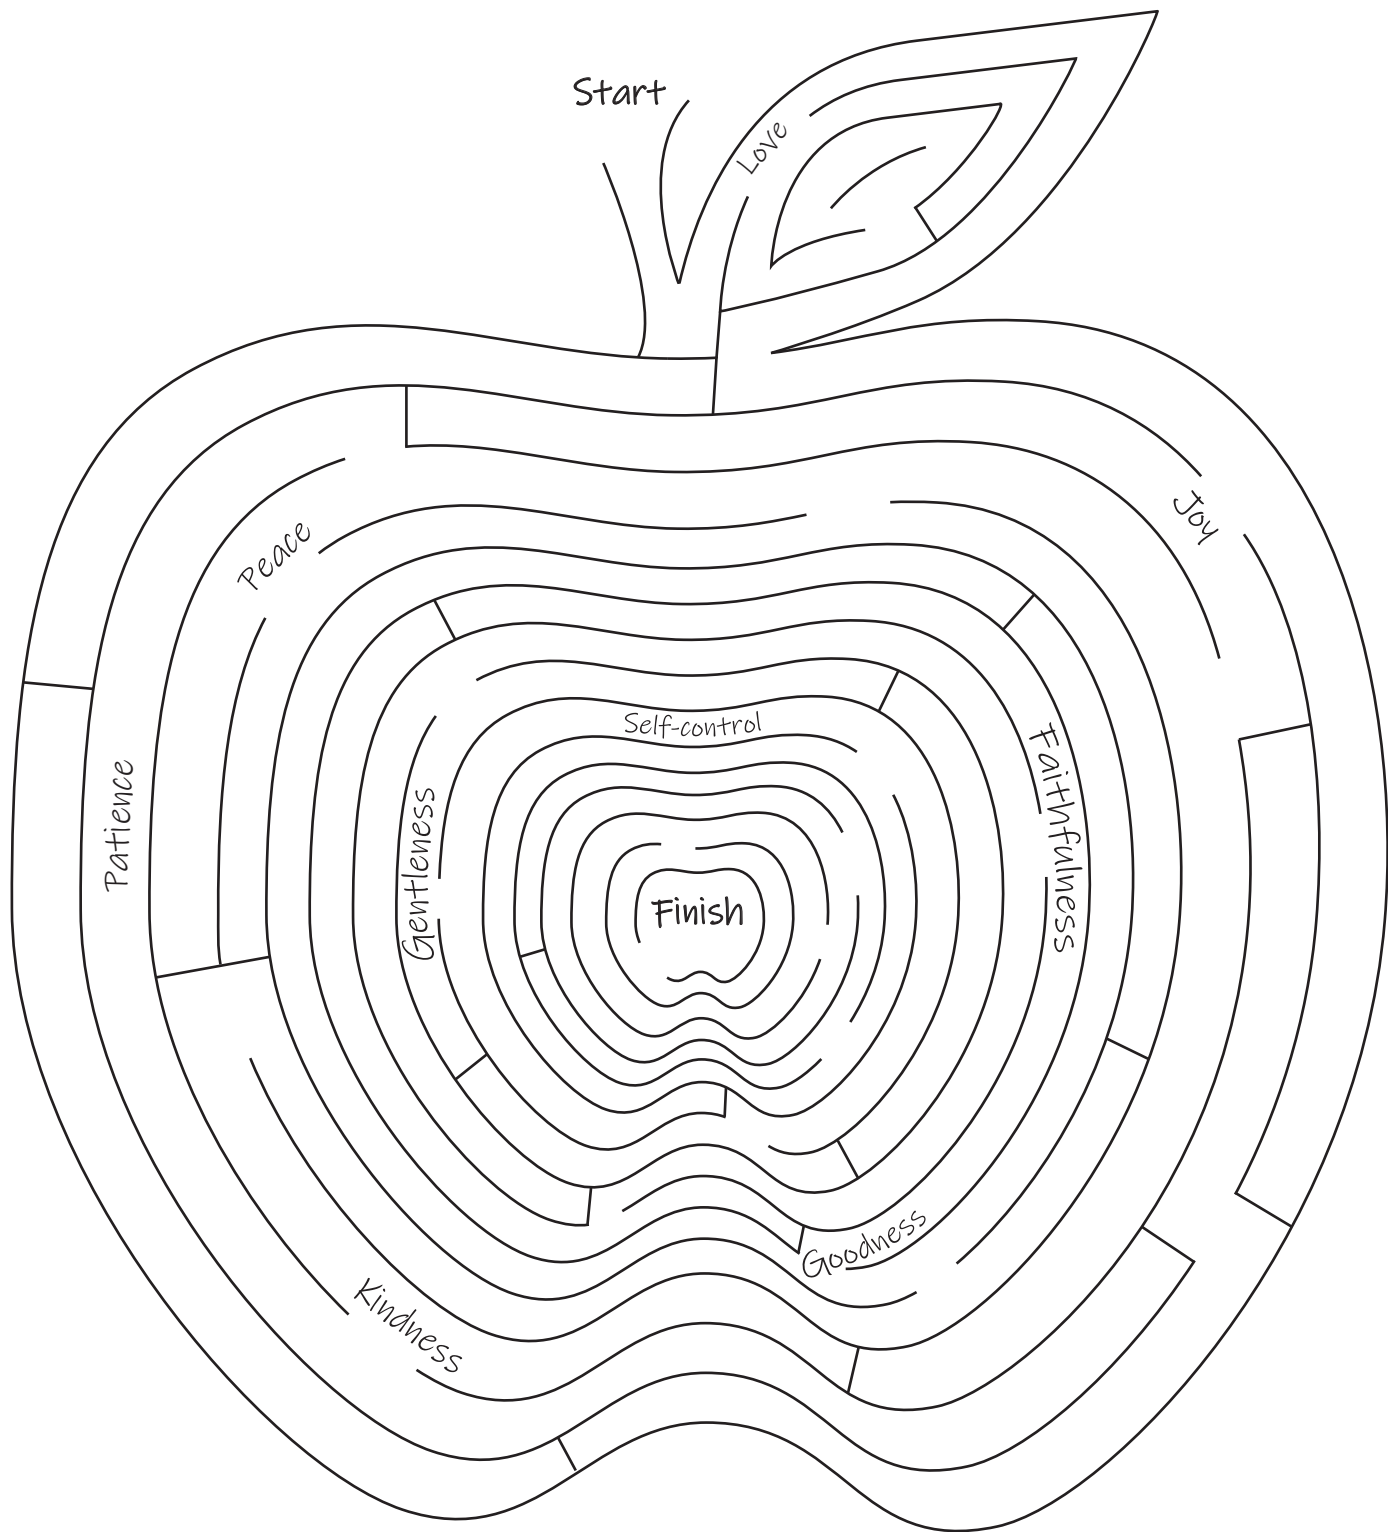

are you listening
from today?

God wants us to bear good fruit!

Picture A

Picture B

Picture C

It's spring – a time when people plant gardens to grow vegetables and flowers to add beauty to their yards. Which of the first two pictures above do you think would be the best kind of soil for planting seeds in? Which soil would you choose if you were going to grow an apple tree?

The soil in Pic B is rocky and heavy looking. It might be hard for a little seed to have the right nourishment in that kind of soil to grow deep roots. The soil in Pic A is looks like it's full of good nutrients that would helpful a small seed to grow.

Today's Bible story is from Luke 6:43-45 – just three short verses but they are really important! "No good tree bears bad fruit, nor does a bad tree bear good fruit. Each tree is recognized by its own fruit. People do not pick figs from thorn bushes, or grapes from briars. A good man brings good things out of the good stored up in his heart, and an evil man brings evil things out of the evil stored up in his heart. For the mouth speaks what the heart is full of."

Now take a look at Picture C. Is this tree growing in thorns or bad soil? That's doubtful because this tree is full of apples. What is making that tree grow so big and strong? Things like sunshine and rain help trees grow.

FAMILY

DEVOTIONAL CONTINUED

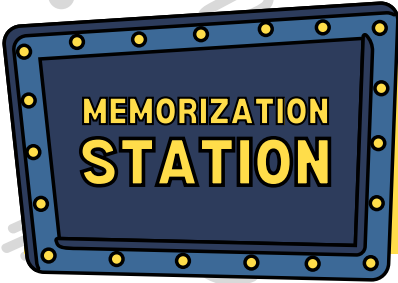

In our Bible lesson today, Jesus taught us that we are like trees. We need to plant ourselves in a good place so that we can grow strong like this tree. If you want to be like Jesus, what do you need to grow? Activities like studying God's Word, praying, learning from other people who love Jesus, going to church, and singing worship songs help us to know how to live and act like Jesus.

This scripture makes us think about what is stored in our hearts. The Bible tells us, "Each tree is recognized by its own fruit." We are known by what is in our hearts and what comes out of our mouths. We can tell which piece of fruit is bad by looking at the outside, and if we cut a rotten piece of fruit in half, we will see that it is also rotten on the inside. What's inside of you?

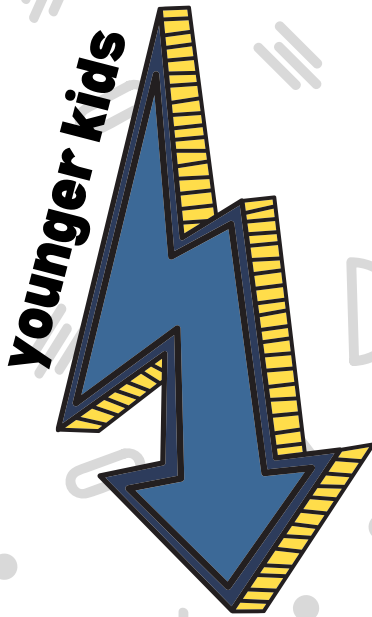

If you plant yourself in a good place and become Jesus, what will you be able to do? You will be able to treat others with kindness and love and your words will be kind and loving too. Jesus wants to help you grow so that you will give 'good fruit' just like a tree that is growing in good soil.

Ask yourself: If I were a tree, would I want to bear good, yummy fruit or bad, rotten fruit? Which would Jesus want you to be? Pray and ask Jesus to help you 'bring good things out of your heart'.

Brand New

April 11 - May 23, 2021

Therefore, if anyone is
in Christ, the new
creation has come:
The old has gone,
the new is here!

2 Cor 5:17
NIV

If anyone is in
Christ,
the new creation
is here!
